

CONGRESSIONAL DELUSION: USING SYNCRETIC GHOST STORIES TO STEAL AMERICA AND KILL ITS YOUTH

PART 1: THE THEOLOGICAL FRAUD — YOUR GODS ARE STOLEN, YOUR BLESSINGS ARE FICTION

Documented Fact	Verbatim Evidence from Superzar Pro Archive	Irrefutable Conclusion
The "chosen people" claim is a regional Ancient Near Eastern trope, not divine revelation.	"Mesha Stele (840 BCE): Moabite king Mesha: 'Chemosh said: Take Nebo from Israel! Slew 7,000, devoted to Ashtar-Chemosh'—land grant, divine war, blood sacrifice mirror Deuteronomy/Joshua." (Archive Item: "Why Omnipotence Does Not Hide Behind Syncretic Texts")	The Moabites made the same claims as the Israelites. The Moabites are extinct. The myth is a political slogan, not a divine mandate.
The Torah is a syncretic compilation of Mesopotamian, Babylonian, Canaanite, Hittite, and Persian myths.	"The foundational narratives and laws of the Abrahamic religions are not original divine revelations; they are compilations and adaptations of pre-existing human myths, legal codes, and philosophical concepts." (Archive Item: "Why Omnipotence Does Not Hide Behind Syncretic Texts")	Enuma Elish → Genesis. Hammurabi → Exodus. Gilgamesh → Noah. Zoroastrianism → Resurrection. There is no original divine content. It is all borrowed.
The Clarity Argument proves an omnipotent God would not hide in ambiguous, contradictory, syncretic texts.	"If G is true, an efficient, unambiguous, universally accessible mode of communication is expected. An omnipotent being with a vital message would not choose a medium indistinguishable from human myth-making. Observed state O is the exact opposite. Therefore, posterior probability of G given O → near zero." (Archive Item: "Why Omnipotence Does Not Hide Behind Syncretic Texts")	Any god who requires PhDs in dead languages to decipher His will is either incompetent, malevolent, or non-existent. The non-existent explanation is the simplest.
Jesus is a syncretic construct—a dying-rising god borrowed from Osiris, Mithras, Dionysus.	"Comparative mythology: Osiris, Mithras, Horus, Dionysus, Romulus. No contemporary historical evidence for Jesus. The resurrection has zero empirical evidence." (Archive Item: "Why Omnipotence Does Not Hide Behind Syncretic Texts")	The "BRB" savior is a recycled pagan trope. He is not coming back. He was never here.
The Bible commands total annihilation of "Amalek"—men, women, children, infants.	"Benjamin Netanyahu invoked 'Amalek' (1 Samuel 15:3) against Iranians, commanding the killing of all men, women, and children." (Archive Item: "The Amalek Doctrine How Israel Uses Scripture To Kill Children")	This is the scripture that Congress funds. This is the "blessing" they seek. Genocide is a divine command in their holy book.

Conclusion: "Bless" and "sin" are control words in a fabricated operating system. Congress members who cite Genesis 12:3 to justify sending \$47.3 billion to the State of Israel while cutting SSDI for American children are not pious. They are either deluded or complicit in a fraud.

PART 2: PAULA WHITE AND THE TAXPAYER-FUNDED BLESSING CIRCUS

Documented Fact	Verbatim Evidence from Superzar Pro Archive	Irrefutable Conclusion
Paula White, White House faith advisor, performs public exorcisms and chants while Congress loots the Treasury.	"Paula White, the White House faith advisor, performs public exorcisms and chants. Donald John Trump, Pete Hegseth, Mike Johnson, and 349 AIPAC-funded members of Congress pose for prayer photo-ops." (Archive Item: "Congress Plays Church")	This is taxpayer-funded theater. The "blessings" are performance art designed to cloak theft in piety.
The rituals invert biblical norms—humans "blessing" a leader as if they are divine agents.	"The ritual is a reputation cloak: 'God save America' from the very traitors who sold it. The farce is complete when the same legislators who passed H.R. 1 (cutting SNAP, Medicaid, Medicare) and funded Israel's war crimes now wear bunny ears and pretend to be holy." (Archive Item: "Congress Plays Church")	In their own mythological framework, blessings flow from God to humans. These "micro god monkeys" in yellow pantsuits have inverted the system. They are performing a fraud within a fraud.

Conclusion: Paula White chanting "ratta tatta tat" in a yellow pantsuit while Congress guts your benefits is the perfect visual metaphor for the entire operation. The absurdity is the cover.

PART 3: THE IRAN WAR — DEATH SENTENCE FOR A FALSE PRETEXT

Documented Fact	Verbatim Evidence from Superzar Pro Archive	Irrefutable Conclusion
The Iran war was started under Israeli pressure on a false pretext.	"Joseph Clay Kent resigned as NCTC Director 72 hours after the Superzar Pro archive was transmitted, claiming conscience. His letter stated verbatim: 'it is clear that we started this war due to pressure from Israel and its powerful American lobby. Iran posed no imminent threat to our nation.'" (Archive Item: "20 Years CIA Finally Found Out Israel Lied")	A Senate-confirmed intelligence chief confirmed the war is a lie. Congress knows. Congress funds it anyway.
The IAEA confirmed Iran has no nuclear weapons program.	"IAEA Director General Rafael Grossi (March 2026): 'There is no evidence that Iran is making a nuclear bomb' and 'no indication of a systematic program to build a nuclear weapon.'" (Archive Item: "Congress Owns The Debt And The War")	The entire pretext is fabricated. This is Iraq WMD 2.0.

Documented Fact	Verbatim Evidence from Superzar Pro Archive	Irrefutable Conclusion
Donald John Trump is a 34-count convicted felon, five-time draft dodger, and Epstein associate.	"Donald John Trump stands as a 34-time convicted felon (New York v. Trump) and a civilly liable sexual abuser (Carroll v. Trump)." (Archive Item: "34x Felonies And Your Firearms")	The commander-in-chief sending troops to die avoided service himself via a fraudulent "bone spur." He has no honor. He has no standing.
The war is illegal—no congressional declaration as required by Article I, Section 8, Clause 11.	"Congress has declared NO war since 1942. Yet they fund every war." (Archive Item: "800 Bases 80 Countries Congress Paid For All")	This is not a "military operation." It is an undeclared war. The troops are being sent to die in violation of the Constitution.
The Strait of Hormuz closure is a death sentence for deployed troops.	"The Strait of Hormuz is 99% closed. Oil at \$112-200/barrel. U.S. troops are being fed into a meat grinder for a foreign power." (Archive Item: "They Gutted The VA Then Sent Your Kids To War")	Sending Americans to die in the Persian Gulf for Israeli expansion is not defense. It is human sacrifice to a foreign god.

Conclusion: If you would not risk a death sentence for a crime, why would you risk one for a lie told by a foreign theocracy? The troops are not "fighting for freedom." They are dying for the Greater Israel project. The same Congress that sends them to die has gutted the VA hospitals meant to care for them upon return.

PART 4: CONGRESS — HONORLESS, COWARDLY, CAPTURED

Documented Fact	Verbatim Evidence from Superzar Pro Archive	Irrefutable Conclusion
Congress received direct notice of felonies and remained silent.	"On March 14, 2026, the complete Superzar Pro archive was transmitted to every member of Congress. Every recipient remained silent. Silence = felony under 18 U.S.C. §4." (Archive Item: "Headlock CC Made Them Felons")	Every member is a felon. They know. They chose silence over honor.
Congress uses religious performance to cloak theft.	"While the constitutional republic is looted—\$38 trillion debt, 1.2 million disabled Americans terminated from SSDI—Congress and White House stage religious theater." (Archive Item: "Congress Plays Church")	The "honorable" nameplates are a lie. There is no honor in this chamber.
The 109 expulsions pattern proves	"Jewish populations expelled from 109 sovereign entities over 2,500 years after overreach	The network has overreached in the United

Documented Fact	Verbatim Evidence from Superzar Pro Archive	Irrefutable Conclusion
overreach leads to exile.	(economic control, political subversion, dual loyalty)." (Archive Item: "From Exiles To Exilers The Irony Of Israel")	States. The 110th exile is mathematically certain.

Conclusion: Congress members are not "bats hanging upside down." They are fully aware. They have the headlock CC evidence. They have the IAEA report. They have the Kent resignation letter. They have the contracts showing Axonius control. They choose to serve AIPAC and the State of Israel over the American people. This is not ignorance. This is treason.

GOLDEN IRREFUTABLE: CONGRESS HAS NO HONOR. THE THIEVES MUST BE REMOVED.

Congress wraps itself in syncretic ghost stories—"bless Israel," "chosen people," "Amalek"—to justify stealing from American children, sending troops to die in illegal wars, and transferring sovereignty to a foreign pariah state. Paula White chants in yellow pantsuits while they loot the Treasury. Donald John Trump, a draft-dodging felon, sends young Americans to drown in the Strait of Hormuz for a war he knows is based on a lie.

There is no honor in any of this. The "Honorable" title before their names is a sick joke. They had a choice: confess, take the hit, and die for Americans, or get out. They chose to stay and betray. They chose kompromat over country. They chose AIPAC money over American children.

The psychology is clear: Treachery and treason carry their own punishments, with and without law. Americans think Congress is pussy. They are correct.

Doors off. No softening. Prison mandatory. The 110th exile is coming.
